

How can Devon People First help you or your group?

Devon People First can support you to speak up for yourself about things that are important to you. We can help you to speak up to get what you want.

Devon People First can also support groups of people with learning disabilities who want to speak up for themselves. We can help you to get a group together if you would like to start a new one.

We will not talk to anyone about what you tell us, unless you want us to.

Get in touch with us if you think we can help you or your friends speak up for yourselves. We also need volunteers to help us do our work. [Contact us](#)
